

I need the product name, description (if applicable), price, shipping cost and the quantity you have available.

Example below:

Description example:

These beautiful bracelets are handcrafted from authentic vintage silver plate silverware, many of which pieces are Rogers 1940 era and earlier. Strong magnetic closures are used for ease and charms are added to give that unique look for any occasion. We use the finest quality of materials and take great pride in our workmanship and designs. Special effort is taken to make each bracelet and original piece of work. Sales tax included in prices.

Your contact information - email address only that you will want people to use to contact you.
